Memorials

No memorial, whether on a grave or not, may be placed in a local authority cemetery without the consent of the burial authority, which in this case is the parish council.

The parish council implements the following guidelines in the interests of maintaining good harmony and to ensure the ease of maintenance of the cemetery.

Headstones of various stone and sizes including crosses and other memorials which should be within the following:

Height: 2'6" 75cm

Width: 2'6" 75cm
Depth at base: 1' 30cm (including vases).

Memorial Plates including cremated remains are permitted 18" by 18".

No planting of shrubs or trees is allowed on plots although seasonal flowers typically below 40 cm in height are acceptable. The planting of other perennials should be discussed, in advance, with The Clerk or Parish Councillor overseeing cemetery matters. Where graves remain unattended for six months or more, the burial authority will mow the surface and landscape as required. These guidelines are also applicable to replacement plants and shrubs.

All memorials installed in the Cemetery shall conform to the National Association of Memorial Masons Code of Working Practice and the BS 8415 Specification for memorial and monuments in burial grounds.

All enquiries regarding the cemetery should be forwarded to
The Clerk to the Parish Council– Jo Cartmell
