NEW MEMBERS WELCOME

Summer is coming to Upper Broughton (soon) so now's the time to get out and enjoy yourself. The Village has one of the best outdoor sporting assets in probably the most beautiful location of all the tennis clubs in the County. Over the last 5 years the club has created a state of the art tennis facility with two new all-weather floodlit courts.

Please don't think you have to be the next Roger Federer it really is just about enjoying yourself when you exercise. So whether you'd like to play tennis as a family, get fitter, improve your game, get involved in social tennis or use the courts to play a game of singles, this is the club for you.

So if you would like to see what we have to offer why not click the link <http://cspark.at/ubysc> or better still pop by and speak to our coach, Laura or one of our club members.

Hope to see you on the court soon. Don't forget the club is open to members and non members
